Cons rvation History

The documents, originating from the Saguenay region, are stored in a vault under controlled environmental conditions at the Central Québec School Board's Document Management Centre located at the Eastern Québec Learning Centre in Québec City.

cop an Cont nt

The documents testify to the documentary management of the school municipality of Arvida. The evolution of teaching activities, the reflection of the linguistic and cultural situation as well as administrative activities are represented by the archival group.

upport

All documents in the series are in paper support. No objects (trophies, flags, etc.), graduation albums or student photos can be found. However, some plans are included in the Administrative and Property Resource series.

Pr s rvation tat

Several documents are rendered fragile, especially documents that have been folded and unfolded such as plans and press clippings. Pins, paper clips and nails were removed to limit rust damage.

Languag of t Docum nts

Most of the documents are in English; some documents are bilingual, English and French. Some documents have been translated into French.
